Department of Medicine and Geriatric Clinic.

Continuing Medical Education 2012

REPORT

The department of medicine and geriatric Clinic had organized Continuing Medical Education 2012 on 16/10/12. A total of 240 delegates registered for the CME. Dr.Mulimani HOD of Medicine welcomed the gathering.

The speakers were

1.Dr.O P Sharma, Founder president Geriatric society of india, Delhi and Author of First book on Elder care in India.He spoke on Role of young doctor in Geriatric Medicine.

2.Dr.Satish Gulati, from Rohtak Haryana spoke on current status of Treatment of drug resistant malaria in india.

Dr.M S Biradar, Principal Shri B M Patil Medical College inaugurated the CME. He emphasized the need of such educative talks as Malaria is rampant in our district and it is right time to educate our faculty and general practitioners, students regarding latest guidelines in management of Malaria.

Also he emphasized that people are living longer and Geriatric medicine is upcoming branch of medicine. The older people are having many health problems.There is now dire need to update ourselves towards identification and solutions to these problems.

Dr.O P Sharma addressing the gathering , said there is lot of demand for caregivers and a BLDE university can take up a course to start caregiver training centre. Also the need for respite care for older people is need of the hour which can be thought of.

A large number of private practitioners from in and around Bijapur , students and faculty of Al Ameen Medical College , BLDEA's College of Pharmacy and Nursing and students from Solapur medical college also have attended the CME. The CME had technical support from Geriatric Society of India, Delhi.

Dr.J G Ambekar Registrar BLDE University and Dr.Tejaswini Vice Prinicipal were guests of honour.

Dr.Anand Ambali organizing Secretary conveyed vote of thanks.
