The SB Arts and KCP Science College NSS Unit had organised a week long special camp for volunteers.

As a part of this program, I was invited as chief guest on 13/03/2020 to deliver talk on Intergenerational Bonding and Care of Older people in Home.

A total of fifty NSS volunteers and around 70 older people attended the program. His holiness Shri Shradanand Swamiji presided the program. Professor B G Mirji, HOD of Biochemistry Department chaired the session. The program was held in Gyanayogashrama between 5PM to 7PM. The NSS coordinators were Dr U S Pujeri and Prof G R Ambali.

I discussed various issues about the needs of the older people and paying attention to loneliness, depression, social engagement and active ageing.
