DIRECTOR'S MESSAGE

Dear Faculty, Staff, and Students,

I am delighted to share with you my thoughts on the importance of research in our university. As the Director of Research, I believe that research is essential to advancing knowledge, driving innovation, and solving complex global challenges. Our university has a crucial role to play in this endeavor, and I am proud of the work that our faculty and students have accomplished.

In particular, I want to emphasize the importance of collaboration and partnerships with industry, government, and other academic institutions to achieve our research goals. These partnerships enable us to leverage our strengths and capabilities and apply them to real-world problems. They also provide opportunities for our students to gain valuable experience and prepare for their future careers.

I encourage interdisciplinary research, recognizing that some of the most significant breakthroughs in research come from collaborations across multiple fields. Our university has a wealth of expertise across diverse disciplines, and I believe that by working together, we can achieve remarkable outcomes.

I also recognize that securing funding for research is essential to support our research initiatives. As a result, I urge our faculty to take advantage of the resources and support available to them to develop successful grant proposals.

In conclusion, I want to reiterate the critical role that research plays in advancing the mission of our university and contributing to the betterment of society as a whole. I look forward to continuing to work with you all to further our research endeavors and achieve new heights of excellence.

Best regards,
Dr. M. M. Patil
Director Research & Development Cell
BLDE DU Vijayapura

VISION

To Promote and Practice Research and Innovation as an integral part of Education, Leading to Sustainable Holistic Integrated Development and Universal progress.

MISSION

1. To frame a robust and reliable Research Promotion Policy and identify the relevant, innovative, and emerging thrust areas of research befitting to expertise, facilities & Research Policy.
2. To create and provide State of the Art facilities, resources, and services to undertake Basic and Translational research on areas of regional, national, and global importance.
3. To mobilize and utilize financial and infrastructural resources from national and international organizations, industries & agencies to undertake research.
4. To establish Institutional Innovative Council and research ecosystem to promote & practice scientific temper, rationality, reasoning, the Indian Knowledge System, and the spirit of inquiry among all stakeholders, leading to Socio Scientific Society and sustainable development of the globe.
5. To inculcate & practice values & professional ethics in Research, Publications, Consultancy, and Extension Services.

Research Activities and Meetings

Guest Lecture cum Workshop on “**Artificial Intelligence in Research**” Organized by R & D Cell, BLDE (DU) on 24.10.2024.

Venue: Academic Council Hall, University Building.

Participants: Faculty Members

Resource Person: **Dr. Jagan Mohan R**, Visiting Prof. National University of Singapore and Prof. Pharmacology Mahatma Gandhi Medical College and Research Institute.

Workshop on “**Beginner’s Guide to Evidence Based Practice**” Organized by R & D Cell, BLDE (DU) in association with ICMR Advanced Centre for Evidence based Child Health, PGIMER, Chandigarh on 13th and 14th November 2024.

Venue: Dept. of Medical Education

Participants: Faculty Members

Resource Person: Faculty from PGIMER, Chandigarh

Guest Lecture on “**Application of Bio Analytical Techniques in Life Sciences**” Organized by R & D Cell, BLDE (DU) in association with School of Applied Science and Technology on 12.12.2024.

Venue: Anatomy Gallery Hall, BLDE (DU)

Participants: Faculty Members & Students

Resource Person: Dr. Nivedita Pujar

Site Management Organization – Activities and Meetings

IIC Activities & Meetings

Event: Innovate4Health Hackathon

Date: 26.10.2024

Venue: Auditorium, Shri. B. M. Patil Medical College, Hospital & Research Center, BLDE (Deemed to be University), Vijayapura.

The Innovation4Health Hackathon was organized to promote innovation in healthcare by bringing together students, healthcare professionals, and industry experts. This full-day event included thematic sessions, expert talks, and mentoring opportunities to guide participants through the ideation and prototyping process.
