**CME on Recent Advances in Rheumatology and Diabetes
Report**

The Department of General Medicine, Geriatrics and Scientific Academic and Research Society (SARS), jointly had organised the continuing medical education program on 13/03/2026 between 3.30 PM to 5.30 PM in Medical Education Hall. It was an initiative with National Association of Physicians of India and Indian College of Physicians, India.

This CME focused on two important and evolving areas in medicine namely Rheumatology and Diabetes. Rheumatology deals with a wide range of autoimmune and inflammatory disorders affecting joints, connective tissues, and multiple organ systems, which can significantly impact a patient's quality of life if not diagnosed and managed early. At the same time, Diabetes mellitus continues to be a major global health challenge, with a rapidly increasing prevalence and a wide spectrum of complications affecting multiple organs. Continuous research and advancements in these fields have led to improved diagnostic approaches and better therapeutic strategies.

The CME had distinguished experts like honourable Vice Chancellor Dr. Arun Inamdar, President of API Dr. G.Narsimulu, Vice President Dr. Ravikeerthy M, Dr. Sangram Biradar and Dr. M Mohan Kumar

Dr. Arun C. Inamdar, delivered the lecture on the topic: SLE Clinical Pearls... Dermatologist point of view. Dr. Keshavmurthy Adya, Dr. Rajesh M. Honnutagi, and Dr. S. M. Biradar chaired the session. Dr. Rahul Biradar, presented the certificates to the chairpersons.

Dr. G. Narsimulu delivered lecture on the topic: "Approach to Systemic Lupus Erythematosus (SLE) and Vasculitis." Dr. R.C. Bidri, Dr. Sangram Biradar and Dr. S. S. Kalyanshetkar chaired the session. Dr. Rahul Biradar presented the certificates to the chairpersons.

Dr. Ravikeerthy M delivered talk on the topic: "Hyperglycemia Management in Inpatient Settings." Dr. S. T. Kalsad, Dr. M Mohan Kumar, and Dr. P. G. Mantur chaired the session. Dr. Shraavan Potkar presented the certificates to the chairpersons.

Dr. Anuja K, Secretary proposed vote of thanks.

This program provided an excellent platform to discuss recent developments, share clinical experiences, and enhance our understanding of evidence-based approaches in patient care.

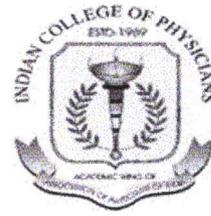

High tea was served. A total of 93 delegates participated in the CME.
